CANADA IS AFTER BRIDGE DYNAMITER

Formal Application For Extradition of Van Horn is Made to U .S.

Washington, Feb. 4.—(Argus Special Service).-Canadian authorities today made formal application for the extradition of Werner Van Horn, who several gays ago attempted to dynamite a oridge over the St. Croix river.

Secretary Bryan referred the communication to the solicitor of the department for examination as to its form. If the application is found to be regular, Van Horn will be ordered be fore a United States commissioner nearest to Vanceboro, where he is now under detention, and the Canadian authorities will have the chance to business be changed from Payette to make out a prima facie case sufficient Fruitland as it would be a great deal to justify the demand for the surren-

Should the commissioner decide that there is no case against Van Horn, the prisoner might be discharged without miles east of here to Mr. Singleman of further proceedings. If he holds the man for extradition, then it is compe-Mr. and Mrs. H. R. Russell enter- tent for Van Horn to take an appeal to tained the senior class and Miss the state department. It is even possible, in extreme cases, for the United States courts to be invoked in the prisoner's behalf.

Van Horn already has indicated his purpose of fighting extradition. In a telegram today he appealed to the German ambassador to look after his interests, declaring he was a German subject and "did not put foot on Canadian soil."

The last statement was taken here to indicate a purpose on the part of the prisoner to make the technical Week, point that though he was on the bridge will move soon to the orchard tract he did not actually stand on Canadian ance to this plea.

The German embassy delayed passing on Van Horn's request pending a ture by Mr. Eweing Friday evening at report on his citizenship from the Ger-

Ordelals of the state department decline to express any opinion publicly "political," that it was an act of war Mr. and Mrs. Roy Taylor's baby is directed against his country's enemy and that it was his intention to prevent the continued transportation across the bridge of troops and munitions of war going to Europe to be used against

individual on his own responsibility

should produce evidence to show that ment, it is said a violation of the neutrality of the United States by Ger-
